The notes on pages 3 to 10 form part of these accounts.

STRATFORD UPON AVON TOWN COUNCIL
ACCOUNTING POLICIES
YEAR ENDED 31 MARCH 2024

a) Accounting convention

The accounts have been prepared in accordance with United Kingdom Generally Accepted Accounting Standards. The accounts have not been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom as the Council's income and expenditure levels are such that it is exempt from compliance.

b) Fixed assets and depreciation

The valuation bases adopted for fixed assets held by the Council are as follows:-

Operational assets:

Town Hall - lower of depreciated replacement cost or net realisable value
Cemetery Chapel Office - lower of depreciated replacement cost or net realisable value

Non-operational assets:

Land fronting River Avon, Tiddington Road, Stratford upon Avon - market value

Community assets:

Cemetery Chapel, Grounds and Tranquillity Garden - replacement cost
Civic Insignia, Borough records, pictures, etc - replacement cost
American Fountain - replacement cost
Garden of Remembrance - replacement cost

No depreciation is charged on Town Hall or the Cemetery office on the basis that due to the historic origins of the buildings they have to be maintained in good working order and because of this they are considered to have indefinite useful lives.

Operational asset fixtures and plant are expensed in the accounts in the year of purchase in accordance with Governance and Accountability for Smaller Authorities in England – Practitioners' Guide (March 2023), issued by the Joint Panel on Accountability & Governance (JPAG). Fixtures and plant that were capitalised previously following a different accounting policy have been written down to a net book value of nil in prior years and so have been removed from the fixed asset note to the accounts.

c) Debtors and creditors

All revenue transactions are accounted for on an income and expenditure basis. Accordingly, sums due to or from the Council during the year are included whether or not the case has actually been received or paid in the year. Exceptions to this policy comprise recurring items of expenditure such as telephone and electricity and application of this exception is consistently applied each year and therefore does not have a material effect on the year's accounts.

d) Investments

Short term and long term investments are included at cost at the balance sheet date.

e) Pensions

Certain Council employees are members of a defined benefit pension scheme.
The Council has not implemented FRS 102 Section 28 (employee benefits) as it is not required to.

f) Comparatives and reserves

Reserves policy

The Council must maintain general reserves at a level of 25% of the net budgeted expenditure, so that the reserves can cover 3 months costs at all times.

Prior period adjustment.

The comparative figures in these financial statements have been restated regarding the Community Infrastructure Levy. Community Infrastructure Levy income of £40,183 has been transferred to the Community Infrastructure Levy reserve as a restricted fund to give a truer reflection of the Town Councils financial standing. This reduced the overall net surplus from £7,223 to a net deficit of £32,960 for the year ended 31st March 2023.
