

Dementia Friendly Stratford-upon-Avon

DFS is an initiative which aims to increase awareness and understanding of dementia within the town. We want to make it easier for those living with the disease and their carers to continue doing the things they enjoy and to feel supported by their community.

Questionnaire - Why are we asking these questions?

We want to find out what people with memory problems do in Stratford-upon-Avon, what facilities they use and what helps or hinders them. We want to find out more about what makes places easier to live for people with dementia.

What will we do with the results?

We will look at the questionnaire responses and will aim to focus our actions on what people say could be done to make the town more dementia friendly.

More information regarding this questionnaire - If you would like to talk to someone about this form, please contact Marie Darwen on 01789 260108 or email marie.darwen@stratford-dc.gov.uk

We value and respect your privacy; therefore we ensure that any personal information given is stored securely and all of your answers will be treated in the strictest confidence. For details about how we handle personal information, please visit www.stratford.gov.uk/privacy.

Please tick the appropriate boxes or write in the space provided.

About You
