<b>Application No</b>	<b>Site</b>	<b>Proposed Development</b>	<b>Observations</b>	
<b>1</b>	20/03286/FUL	Land Adjacent To 201, Loxley Road, Stratford-upon-Avon (Tiddington)	AMENDED – Amended site plan submitted in response to WCC Highways objection.	Object to the application for the following planning reasons: STC notes that the Highway Authority has still objected to the proposed development (comments dated 7 April 2021). STC therefore maintains its holding objection.
<b>2</b>	21/00872/FUL	Land Adjacent To 1, Church Lane, Shottery (Shottery)	Proposed development of derelict garages to be demolished and to provide 2 new dwellings	Object to the application for the following planning reasons: Notwithstanding the fact that the current application is for 2 dwellings, the reasons why STC objected to the previous application (Ref 20/01723/FUL) and the reasons why SDC refused that application are still relevant and applicable to this application.

				STC therefore submits an objection to this latest application for the same reasons as submitted on the previous application.
<b>3</b>	21/01448/TREE	4 Avonfields Close, Alveston (Tiddington)	T1 – Conifer – Fell. T2 – Cherry tree – Fell. T3 – Magnolia – Fell.	No reps. Following the comments received from the Tree Officer explaining why the trees are to be removed, STC removes its objection.
<b>4</b>	21/01139/FUL	2 Monument Way (Welcombe)	Proposed single storey rear flat roof extensions to form larger kitchen and ground floor bedroom.	No reps.
<b>5</b>	21/01270/FUL	5 Union Street (Clopton)	Change of use and conversion of first and second floors from Class E (formerly A2) to five C3 apartments and rear section of part of ground floor to cycle and bin store for communal use by the apartments, and construction of first floor link extension to rear elevation.	Support the application for the following planning reasons: STC supports this proposal for the reuse of underused upper floors of premises within the town centre as it is in accordance with Policy TC7 of the Neighbourhood Plan.
<b>6</b>	21/00443/FUL	176 Alcester Road (Hathaway)	AMENDED – Amended design following discussions with case officer.	Support the application for the following planning reasons: STC removes its objection and now supports this redesigned subservient extension.
<b>7</b>	21/01462/TREE	77 Tiddington Road (Tiddington)	T1 – T3 – Fir – Fell.	No reps. Subject to Tree Officer approval. Would like to see

				replacement trees in a suitable location within garden.

STRATFORD-UPON-AVON TOWN COUNCIL  
PLANNING CONSULTATIVE COMMITTEE

1 JUNE, 2021

TOWN CLERK'S OPEN REPORT

5) Any other business

5a. South Warwickshire Local Plan

- **Scoping and Call for Sites consultation – Notification of Public Consultation: Monday 10 May to Monday 21 June, 2021**

On 10 May, 2021 the following email was received by SDC:

*Stratford-on-Avon and Warwick District Councils are working together to produce a new South Warwickshire Local Plan to cover our combined geographic area.*

*This letter is being sent to key consultees across the area, and those individuals who have requested to be notified of planning policy consultations undertaken by either of the two Councils. You may receive this notification more than once if you are registered on the current planning consultation databases of both Councils. This is due to the separate generation of notifications at this time.*

***Why is the South Warwickshire Local Plan important?***

*The South Warwickshire Local Plan sets out the strategy and identifies sites to meet our future development needs in terms of housing, jobs, infrastructure and open spaces to 2050. We are aiming to do this in the context of addressing the important issues of climate change, wellbeing, connectivity and biodiversity. The Local Plan will also set out the planning policies that the two Councils will use to assess applications for development. It will replace certain key policies in the existing Stratford-on-Avon District Council Core Strategy and Warwick District Council Local Plan but other policies in these documents will remain in force.*

***What does the Scoping and Call for Sites consultation cover?***

*The consultation asks a series of questions about what issues the new Local Plan should cover, and seeks your*

*views on how we should tackle these issues. In particular, it seeks views on where in South Warwickshire new development should be located and how best we should accommodate growth.*

*At the same time, we are also running a 'Call for Sites' exercise inviting suggestions for potential sites to be allocated for a variety of land uses.*

### ***Does the Plan contain detailed proposals?***

*No. At this early stage, this consultation is about scoping out ideas and doesn't have all the answers.*

*In respect of the options for growth, your feedback will enable us to undertake detailed technical work on the suitability of each location, including assessing infrastructure capacity constraints. We don't yet know how many homes or jobs would be sited in each location as that will depend on which strategy we choose and the results of the technical work.*

### ***How to View the Consultation***

*The best way to view the consultation document is online at [www.southwarwickshire.org.uk/swlp](http://www.southwarwickshire.org.uk/swlp). This webpage also includes a summary leaflet and a short video explaining in greater detail what the consultation is about. Subject to changing restrictions resulting from the COVID-19 pandemic, it is also available to view at:*

- Stratford-on-Avon District Council offices (Elizabeth House, Church Street, Stratford-upon-Avon, CV37 6HX)*
- Warwick District Council offices (Riverside House, Milverton Hill, Royal Leamington Spa, CV2 5HZ)*
- Main public libraries across Stratford-on-Avon and Warwick Districts. Please check the COVID-19 restrictions at your local library before visiting.*

*Paper copies of the document can also be purchased from the District Councils.*

*Whilst it is not currently possible to hold face-to-face public consultation events due to the pandemic, the District Councils will be hosting a number of live online question and answer sessions throughout the consultation period to enable residents to ask any questions. Visit [www.southwarwickshire.org.uk/swlp](http://www.southwarwickshire.org.uk/swlp) to find out more and join one of the sessions.*

## **How to Comment**

*Information on how to comment is included within the consultation document itself and on the website at [www.southwarwickshire.org.uk/swlp](http://www.southwarwickshire.org.uk/swlp). You can make your comments online or download and fill in a [comments form](#) and email or post it to us. Email responses should be sent to either [swlp@stratford-dc.gov.uk](mailto:swlp@stratford-dc.gov.uk) or [swlp@warwickdc.gov.uk](mailto:swlp@warwickdc.gov.uk).*

*The Call for Sites form (Appendix 3) can be found separately at [www.southwarwickshire.org.uk/swlp](http://www.southwarwickshire.org.uk/swlp). Once downloaded and completed please submit it via email. More information is set out in Section 3.7 of the consultation document.*

*Please be advised that responses to this consultation and call for sites need only be submitted to ONE council. All responses will be shared between Stratford-on-Avon and Warwick District Councils for the lawful reason of undertaking this task. Further information on how we will handle your data is available in our [privacy statements](#).*

***The consultation on the Scoping and Call for Sites consultation runs from Monday 10 May to 5pm on Monday 21 June 2021.***

Members are asked to consider their response to this consultation.
